Snowboard & Study

Improve your riding skills while improving your English skills in Whistler, Canada!

IH Whistler is thrilled to announce that we have partnered with **Pro Ride Snowboard Camps**, Whistler's only snowboard-specific camp run "by snowboarders for snowboarders" to offer students the ultimate Whistler winter experience, **SBS**. Designed to maximize your time here by improving your English as you advance your riding skills, English lessons and snowboard camp rotate from mornings to afternoons daily.

Operating since 1997, **Pro Ride** pushes riding to the next level with highly experienced, dedicated and qualified sponsored snowboard coaches using fun, skills-based progression methods and build a solid foundation through all-mountain discovery. Specializing in freeride, freestyle, backcountry and snowboard instructor training courses, programs focus on what you really enjoy doing and gives the flexibility to change riding goals as it suits you.

Super fun experiences and training with the finest teachers and coaches in the business - both in the classroom and on the mountain.
